

COVID-19 Protocols

While in attendance at the 2021 Bi-State Wrestling Tournament, the following COVID-19 protocols should be followed:

Spectators

It is recommended that all spectators follow CDC masking guidelines as detailed below.

Athletes and Coaches

Athletes and coaches must follow the COVID-19 mitigation protocols established by their own school district.

CDC Guidelines

Everyone older than the age of two should wear a mask in indoor public places if they are:

- Not fully vaccinated;
- Fully vaccinated and in an area with substantial or high transmission; or
- Fully vaccinated with a weakened immune system.

In general, masks are not required in outdoor settings. However, in areas with a high number of COVID-19 cases, consider wearing a mask in crowded outdoor settings and for activities where there is close contact with others who are not fully vaccinated.
