

The La Crosse Center

La Crosse Center

300 Harborview Plaza
La Crosse, WI 54601

The Bi-State Classic is held at the La Crosse Center, a multi-purpose convention center located in the heart of downtown La Crosse, nestled on the banks of the Mississippi River. While it was built in 1980, a major renovation and expansion that started in 2020 nearly doubled the center in size. The Bi-State competition is held in the arena with 21,000 sq. ft. of open floor space and seating up to 8,000 people, depending on the type of event being held.

- There are no changing room facilities available throughout the event.
- Locker Rooms A and B can be used for showering, but they are not large enough for all wrestlers to be in them at the same time.
- Locker Room C is for the officials' use only.
- There are two dressing rooms on the northwest side of the Center near the head table. One is for tournament personnel, and the other is assigned to cheerleaders and female wrestlers. Please direct your team to stay away from this area.
- Wrestlers must supply their own towels, as none will be supplied for the event.
- Full concessions will be available for purchase.
- The La Crosse Center does not allow any bags or coolers in the arena seating areas. Therefore, all wrestlers' bags and coolers will need to remain on the main floor.
- Bags / purses are allowed for spectators, subject to search. However, food and drink are prohibited.
- Reminder -- the La Crosse Center is cleared between sessions. Please have your wrestlers and staff take their belongings with them and not leave them in the Center.
