

Seeding Criteria -- Boys' Tournament

NOTE: It is very important that you enter the correct record, criteria values, and seeding category for each wrestler in your line-up. Failure to do so may result in your wrestler being seeded incorrectly.

All team line-ups and records must be entered in TrackWrestling by **9:00 a.m. on Saturday, December 23, 2023**. After that time, you will need to contact Jason Lulloff at (920) 286-1406 or luljas@holmen.k12.wi.us to make any additional changes (i.e., roster substitutions, weight class changes, etc.):

- 1) Upload your team's roster to the Bi-State Classic Tournament in TrackWrestling -- directions can be found [here](#).
- 2) Once complete, go into the tournament and verify the following in the Participant Info section:
 - Ensure the name of each wrestler is in proper case -- they should not be in all caps.
 - Ensure a record and grade is shown for each wrestler.
- 3) Seeding criteria and head-to-head information must be entered in TrackWrestling **between 9:00 a.m. on Saturday, December 23, and 9:00 a.m. on Monday, December 25**. Remember that seeding is determined by the information you enter into TrackWrestling.
 - For each wrestler, enter their results from the 2022 Bi-State Classic, as well as last season's Sectional and State tournaments.
 - Accurately complete all information in the Criteria Values section.
 - Select a seeding category (1-9) for each wrestler. To ensure your wrestler is properly seeded, it is very important that you choose the correct category:
 - ~ Category 1: 1st thru 3rd place at the 2023 State Tournament
 - ~ Category 2: 1st thru 3rd place at the 2022 Bi-State Tournament
 - ~ Category 3: 4th thru 6th place at the 2023 State Tournament
 - ~ Category 4: 4th thru 6th place at the 2022 Bi-State Tournament
 - ~ Category 5: Has 7 matches with a winning percentage greater than 0.874
 - ~ Category 6: 2023 State Qualifier
 - ~ Category 7: 7th thru 8th place at the 2022 Bi-State Tournament
 - ~ Category 8: 3rd place at Sectionals OR 9th thru 12th place at the 2022 Bi-State Tournament

Wrestlers in Category 1 are seeded in front of Category 2, wrestlers in Category 2 are seeded in front of Category 3, etc. Therefore, it is important that you select the highest category that applies to your wrestler.

 - Head-to-head only becomes relevant for seeding when two wrestlers are within the same category and seeded right next to one another. In this case, TrackWrestling will automatically assign the proper seed to the person who won head-to-head. Note the following:
 - ~ If a wrestler has beaten a wrestler within one slot above him and has not lost to any wrestler below the wrestler he beat, the wrestler will get moved ahead of the wrestler he beat.
 - ~ If a wrestler has beaten a wrestler but lost to another wrestler below the wrestler he beat, that wrestler will not be moved.
 - ~ No change will occur if there are wrestlers between them.
- 4) If you have an instance for special consideration, please submit a **Special Consideration Form**.
- 5) Final seeding will be determined electronically, with the seeding committee reviewing all requests for special consideration.
