Arrival at the La Crosse Center

- 1) Entry into the La Crosse Center on Friday and Saturday:
 - Teams should use the main entrance on the Second Street side of the La Crosse Center.
 - This is the same entrance everyone will use including wrestlers, coaches, managers, cheerleaders, media, and general admission.
 - Once inside, please follow the signage.
 - Team entry will not be allowed through the back door on the Front Street side of the La Crosse Center -- this is for staff and deliveries only.
- 2) The La Crosse Center does not allow coolers or bags in the arena seating area. This is a La Crosse Center policy, and violators will have their items confiscated. Teams must use the arena level to store their gear.
